(b) (6)

We are being pulled in two directions. (b) (6) says we can't start working on the REC until we have an EXORD, once we get it then they want it in 7 days. We don't even have the exact location and specifics.

Respectfully,

(b) (6)

(b) (6),

What's the issue? SecDef has directed the mission. Therefore it's an army action. Dhs is just occupying the facilities.
